Educational Qualification:

Diploma In Mechanical Engineering (2018) from WBSCTE

Profile:

Subhajit Ruj is a Bass Guitar Player from Kolkata, India with 10+ years of playing experience rooted in the grooves of **funk**, the soul of **blues**, the edge of **rock**, and the sophistication of **jazz**. Whether it's locking in with the drummer for a tight pocket or laying down a melodic solo, I bring versatility, feel, and a deep respect for the rhythm section. I've played in a range of settings—from live gigs and studio sessions to collaborative projects—and I'm always exploring new sounds while staying true to the foundation of great bass playing.

****Currently working as****
